

Thank you for your interest in CWEET's **Art and Gardening on Cosby Festival!**

The cost for exhibitors is \$10, so we are asking artists to donate 10% of their sales over \$100 to our charitable organization.

CWEET is also seeking artists who are willing to present a workshop. This includes creating value added products from the garden, wild-crafting, and other outdoor skills.

CWEET wishes to help our community have a deeper understanding of the arts through participation. Our goal is to engage individuals through a hands-on experience led by an artist

We hope to find artists who will, in the space of a few hours, teach and assist festival participants to create an artwork, salve, wreath, or take away a new skill. Simply put, to help people see art everywhere by expanding their view of art through participation and new or renewed motivation.

Fill out the *Exhibitor* section and/or the *Workshop* section of the application. Feel free to call 865-453-8535 if you have any questions, and be sure to leave a message with your name and phone number.
